

Can't Pay Rent?

You Have New Rights During COVID-19! The Missouri Eviction Process for Nonpayment of Rent

What do I do if I can't pay rent?

- Tell your landlord you are unable to pay rent
- Try to work out a payment plan
- Get any agreement with your landlord in writing, dated and signed (can be by text or email)
- **ALWAYS** get signed and dated rent receipts from your landlord for any payments you do make
- Ask your landlord to waive late fees
- You may qualify for other resources, such as food stamps, unemployment benefits, or utility assistance
- Even if you aren't protected by the CARES Act, you are still protected by the Missouri Supreme Court's order
