

Charitable Giving Deductions Extended through 2021

Congress extended the tax deductions for cash gifts to charities.

- **Non-itemizers** can deduct \$300 per filer or up to \$600 for those filing jointly for gifts to charities in addition to standard deduction.
In effect, you can give more and deduct more.
- **For Itemizers**, 2021 cash donations are eligible deductions for up to 100% of gross adjusted income.

Only cash gifts to a qualified 501(c)3 charity such as Legal Services of Eastern Missouri are eligible contributions.

As always, please consult your financial or tax advisor to determine the impact on your tax plans.
