# Monthly Giving Club

Your little **step** of pledging to donate \$25, \$50, \$100 or more a month helps Legal Services plan for future needs.

Examples of how your support can help clients in need:

- **\$25 per month / \$300 annually**  
helps families obtain a guardianship for a loved one.
- **\$50 per month / \$600 annually**  
helps provide legal representation for children needing special education services.
- **\$100 per month / \$1,200 annually**  
helps provide legal assistance for an Order of Protection to safeguard a client and their children from abuse.

In thanks for this **great feat**, we will make sure you are **well-heeled** with a gift of custom-made Legal Services' socks.

Thank you in advance for your generosity.
